
CMAS Science Standard Results

Almost every school in La Plata County is showing increases in science knowledge and reasoning skills. While Ignacio still falls below the state average of students who met or exceeded standards, it has almost doubled the percentage of eighth graders who meet or exceed standards from the 2015 test.

	2015 met or exceeded	2016 met or exceeded
11th grade		
Colorado	NA	24.3%
